

Hardy, William E.

Receives Award

OCT 15 1943

William Edson Hardy, who has been stationed at Massachusetts Institute of Technology in the Navy V-12 program since July 1, has been awarded the Pi Tau Sigma Mechanical Engineering Prize at Lehigh University. The prize goes to highest ranking freshman in mechanical engineering. Announcement of the prize winners in other fields of endeavor will be made at Founder's Day exercises Monday. Hardy is a son of Mr. and Mrs. C. Edson Hardy, 512 Prospect Avenue.
