ENLISTS IN ARMY

Lee L. Buss, son of Mrs. Pearl Buss, 531 Monroe Street, Freemansburg, has enlisted in the regular army for a three year term at the recruiting station attached to the Infantry Replacement Training Center, Camp Wheeler, Ga.

Declaring that "the war is not over until future peace is assured, and I feel that my place is with the Army at least that long," the soldier signed on the dotted line for more service after having already spent 5 months in the Army.
