SISTERS IN BATH TRIO TO ENLIST IN WAACS

**Bertha and Margaret Moser

in Philadelphia.**

Three young women from Bath were inducted into the WAACS over the week-end. They are Bertha G. Moser, Margaret A. Moser and Evelyn M. Graver, and enlistment of the Moser girls marks the first enrollment in the Third Corps area of sisters, a distinction which has made these young women "live" copy for metropolitan newspapers.

Miss Bertha and Miss Margaret are two of four daughters of Mr. and Mrs. Wendell Moser, Northampton Street, Bath. Both are graduates of Liberty High School, Bethlehem. Bertha has been employed as secretary to the credit manager of the Penn Dixie Cement Company and was financial secretary of Christ Church in Bath. Her sister, secretary to Lawyer Stanley J. Fehr, of Nazareth, is an active member of the Junior Woman's Club at Nazareth and was a member of the Plays and Players of Bethlehem. She is also a member of Christ Church. The other two girls in the Moser family are Rosa and Mary.

Miss Graver is the daughter of Mr. and Mrs. Frank Graver and was also graduated from Liberty High School. Presently she is employed at the Keystone Portland Cement Company. She is a former secretary of the Junior Woman's Club of Nazareth. She is a member of Christ Church, Bath, where her father is organist.

The three young women have played an active part in the civilian defense program of their community as spotters at the observation post and as captains and lieutenants at the Red Cross first aid casualty station in Bath. They also have given many hours aiding the sugar and gas rationing program in the area.

Like most small communities, Bath is nearing the saturation point in manpower for the armed forces under the present selective service laws, and the enlistment of the Graver and Moser girls is a forerunner to what can be expected in the future. It is known that a number of other feminine residents of Bath have already made application for service in the WAACS and the WAVES.

The girls are now awaiting call to service. They hope it will be soon.
