

Braido, Joseph

Pen Argyl Youth Grad Of U. S. Marine Reserves

Joseph Braido, son of Mr. and Mrs. Anthony Braido of Broad Street, Pen Argyl, was among the class of graduates who last week received their commissions as second lieutenants in the U. S. Marine Corps Reserve at Quantico, Va., having completed his training.

While at Lafayette College, he enlisted in the U. S. Marine Corps Reserves Officers Training School and had hoped to complete his schooling this summer. However he was called to service last February, leaving Lafayette College before the commencement season in April. However he was awarded his diploma.

He is a graduate of the Pen Argyl high school where he was a varsity football player, playing a regular tackle position. In addition to his football, he was active in extra school activities and served as president of his high school class in the senior year.

At Lafayette College, Braido played varsity football for three years, seeing plenty of action on the field in competition.
