

Boehm, Robert C

Yank In Italy

FEB 7 1945

15TH AAF IN ITALY—Most of the time it rains in Italy. But sometimes this Liberator bomber base has a heavy snow storm. Here Cpl. Robert C. Boehm, of 1328 High Street, Bethlehem, Pa., walks through ankle deep snow on his way to the mess hall. He is a member of a veteran heavy bombardment group which has been cited "for outstanding performance of duty in armed conflict, with the enemy."
