

Breiner, Edward J. Jr

**GREETS FAMILY BY CABLE  
FROM OVERSEAS POST**

A Christmas cablegram reading: "Love and best wishes for Christmas and the New Year to all at home. All well. Edward J. Breiner", was received today by Mr. and Mrs. Edward Breiner, 644 Leibert Street, from their son, Edward, Jr.

The young man, who was 21 in October, is somewhere overseas with the American expeditionary forces. He was drafted on July 30 and same home twice before being shipped out. Word of his safety is probably the best Christmas "present" his parents and friends have so far received.
