Buddies Meet APR 4 1944

March 20 was a very happy day for two Bethlehem men somewhere in England. Cpl. Donald Wisler, Army engineer, the son of Clarence Wisler, 642 Washington Avenue, and Leon Ferry, son of Mrs. Grace Ferry, 917 High Street, met over there for the first time in two and a half years. Both men had taken part in various battles in the African campaign and other battles in the South Pacific.
