### **Army Nurse Returns For Reassignment**

First Lieut. Helen A. Kornfeind, daughter of Mrs. Margaret Kornfeind, 601 Diehl Avenue, has arrived at the Army Air Forces Redistribution Station in Miami Beach for reassignment processing after completing a tour of duty outside the continental United States.

Lieut. Kornfeind was a member of the Army Nurse Corps in the European theater. While at the redistribution center, she will be given medical examinations and classification interviews to determine her new assignment. During this time, she is being housed in an ocean-front hotel and enjoys abundant facilities for rest and recreation.
