JUL 14 1944

**HARLINGEN ARMY AIR-FIELD, Texas** — Another large class of Aerial Gunners to safeguard Army Air Force bombers on their missions, was graduated from the Harlingen flexible gunnery school this week and each member was awarded a pair of silver wings.

Graduated from this area was Werner C. Homuth, son of Mr. and Mrs. Carl Homuth, 1170 Arcadia Street.

Along with a diploma and wings, the aerial triggermen received promotions in grade at brief graduation exercises here. After a delay enroute to visit relatives, they will join aerial combat teams unless retained at Harlingen to serve as instructors.

Pfc. Homuth, a graduate of Liberty High School, class of '44, was a member of the band and orchestra for four years, being concert master during two and a half years. He expects to report next week for duty at Leemore Army Air Field, California.
