Bethlehem residents:

The April 7, 2020 Bethlehem City Council meeting will be canceled due to the developing COVID-19 public health emergency. The City is currently working to develop a remote Council meeting system that will allow for public comment.

The next Bethlehem City Council meeting will be April 21, 2020, at 7:00 PM, and hosted through remote meeting software. The meeting will be live-streamed on YouTube and the public will be able to participate in the public comment sessions through a call-in phone number. The standard five minute time limit will apply to public comment sessions.

The City is currently developing procedures for remote public comment and will distribute instructions to the public as soon as possible. When ready, call-in instructions will be posted on the City website, distributed to local media, and distributed through select City social media channels.

Thank you for your understanding.

Regards,
