Candidate Grubb on historic Main St.:

- one of the most popular spots for shopping and dining
- I'm a regular here, as a photo-journalist and an occasional meal
- and for finding some of the best gifts
- a small business owner myself, I know that these shops are the backbone of our local business community
- and our local economy
- dealing with City Hall can often be overwhelming for those unfamiliar
- I plan on creating a small-business concierge
- single point of contact for small businesses needing assistance
- gone will be uncertainty

Let's believe in a better Bethlehem.
