

Moyer, Samuel A.

**Samuel A. Moyer
Electrical Specialist**

Samuel A. Moyer, this city, has completed his course of studies as an Electrical Mechanic at the Amarillo Army Air Field, Amarillo, Texas, and is rated as an Electrical Specialist.

His graduation from this technical school now fits him for electrical trouble shooting while in flight. When qualified as a gunner he will become a crew member of a heavy bombardment organization. **MAR 28 1945**

In addition to completion of the schedule of academic and practical studies as an aviation mechanic, Moyer has been thoroughly drilled in military tactics and defense that has conditioned him to meet all requirements of an American soldier.
