

The articles of impeachment

The Bethlehem Gadfly Uncategorized December 12, 2019

Only once before has Gadfly posted on national doings, preferring to focus just on trying to make a positive impact on Bethlehem, where, perhaps, more things bind us than divide us.

But this is one of those times when we are compelled to look outward.

As always, Gadfly says go to the primary source. Here are the impeachment articles from NPR, without spin or commentary.

Gadfly knows what he's going to be reading and thinking about this morning.

**Impeaching Donald John Trump, President of the United States,
for high crimes and misdemeanors**
