

Jones, Donald N.

Local Navy Men Aboard Craft Hit Twice by Japs

Donald N. Jones, F1/C, and James F. Glinkerman, S2/C, Bethlehem R. 1, are serving in the Western Pacific aboard the USS Kimberly, a hardy destroyer which has successfully battled the Japs from the Aleutians to the Philippines, even though she herself has twice been hit by seven enemy dive-bombers.

The Kimberly has shot down five planes. She got four in one day over Lingayen Gulf while she was supporting landings on Luzon last January.

F1/ Jones' wife, Mrs. Dorothea M. Jones, lives at 406 Linden Street. Prior to entering the service, he was employed by Roller-Smith Company.
