Touchstone Theatre's high-spirited, homegrown sendup of the Christmas season in the Christmas City goes online for 2020! For the last 20 years *Christmas City Follies* has been singing, dancing, laughing, and cartwheeling its way into the hearts of its audiences. This year, a streamed video edition of *Follies* – starring Touchstone favorites like the Old Guy, Little Red, the Better Not Shout Network, and the Shopping Cart Ballet, as well as a host of new material – will premiere on December 20th at 7p via a YouTube watch party and be available to watch, as many times as you want, in the comfort of your home through January 2nd.

## **TICKETS**

### Prices

\$5/Reduced ticket\*\*

\$12/Individual

\$35/Household

*\*\*Touchstone typically offers a Pay-What-You-Will ticket at the door and instead will offer a reduced \$5 ticket this year.*

This is a little confusing and different! We know, so much is this year. Basically, choose your adventure. Two people in your household? You could buy two Individual tickets or, if you want to support more, buy a Household ticket. Struggling this year? Get the Reduced ticket. We

kindly ask people to refrain from sharing the link with folks who haven't purchased. The best way to show your appreciation and keep *Follies* coming another year is by purchasing tickets.
