**"DOWN UNDER"** MAY

Mr. and Mrs. William H. Roberts, 811 North New Street, Bethlehem, received an Easter telegram from their son, Sergeant Robert J. Roberts, stationed "somewhere in Australia." "Many happy returns. I wish we were together on this special occasion. All my best wishes for a speedy reunion."

Sgt. Roberts says he has been awarded two ribbons, one for the part his company played in the interception of the 22 Jap ships that were sunk in the Bismarck Sea, the other for being in the service before Pearl Harbor.
