 *Latest in a series of posts on the George Floyd killing* 

The Friday night shooting of an African American man by a white police officer in Atlanta.

You've been following it on the news, I'm sure.

Horrible in its own right.

But Gadfly would have you think about the timing for what's going on in our town.

The City is to respond tomorrow to the **memo** from Councilmembers Reynolds and Crampsie Smith.

Gadfly bets a draft of that response existed before this shooting.

And wonders what impact the shooting will have on the final response.

And whether it has affected your thinking about how the City should be proceeding.
