## Two Area Youths To Graduate From Naval Academy

Hans Seth Rasmussen, son of Mr. and Mrs. Ernest J. Rasmussen, of 1907 Northampton street, Wilson, and Richard Charles Fedon, son of Mr. and Mrs. Abe Fedon, of Pen Argyl, are members of the class of approximately 760 midshipmen, listed by Rear Admiral J. R. Beardall, superintendent of the United States Naval Academy, as members of the graduating class of 944, who will receive their commissions June 9.

The midshipmen, it is explained by Admiral Beardall, are being graduated a year ahead of schedule, due to the accelerated program at the academy. MAY 31 1943

A graduate of Wilson High School in 1938, Midshipmen Rasmussen attended Pennsylvania State College for two years before going to Annapolis, while Fedon received his appointment to the academy when a student at the Admiral Farragut School, Tom's River, N. J., in 1940.
