Aid Infantile Paralysis Drive 1944

This quartet from Bath was active the past several days collecting money for the National Infantile Paralysis Foundation Fund. At a "Birthday Ball" last Saturday night the sum of \$150 was contributed by Bathites. The borough fire company last night added another \$100 and Bruce Hayne, son of Mr. and Mrs. Ernest Hayne, collected \$40 as his special gift. The youngster completely recovered from the dread disease in St. Luke's Hospital last year. He is pictured with Pfc. Rosa Horn, left; Corporal Joe Raney, center, and Pfc. Emma Thoman, right, all of the WAC's.
