- *We do have a block watch now [900 block Main st.].*
- *We just call the cops all the time.*
- *We have so many issues on our block.*
- *I keep complaining to the Health Department and finally they were inspected.*
- *So we keep complaining . . . and nothing's being done.*
- *I'm curious what you plan on doing to rectify this, to make it a safer environment.*
- *We have a daycare, a grade school . . . It's not safe to walk up and down the street.*
- *What can you do to make it safer?*
- *I would think there would be more due diligence.*
