

Geiger, Michael J.

Gets Silver Wings

NOV 21 1944

Flight Officer Michael L. Geiger, son of Mrs. Michael Geiger, 825 North Hoffert Street, pinned on his silver navigator wings at commencement exercises at the Hondo Army Air Field, Hondo, Texas, recently.

The impressive wing-pinning ceremony signified to the new navigators that now they are ready to do their part in obliterating the enemy. Each of them is an aerial expert, trained to find the target by day or by night, in fair or inclement weather.
