Councilman J. William Reynolds **recently announced** Congresswoman Susan Wild's endorsement for his mayoral candidacy:

“Willie Reynolds is one of the nicest people I’ve ever met, and a lifelong resident of Bethlehem. He has already demonstrated his concern and work ethic as a member of Bethlehem City Council.

Willie’s experience and steady hand will be invaluable for the City as we emerge from the crisis of this pandemic. Willie has the vision and vitality to lead Bethlehem into a prosperous future while always respecting its rich history.

He will follow in the footsteps of a long line of excellent Mayors, while still bringing his unique perspective and style to the job. I believe there is no one better suited for the job of Mayor of Bethlehem, and I enthusiastically endorse Willie Reynolds.”
