### Corporal Overseas

Richard W. Artis of the Army Air Forces, son of Mr. and Mrs. A. P. Artis, 83 West North Street, recently made a corporal, has arrived "somewhere in Italy" and expects to be assigned to operations soon, according to word received by his parents this week. A graduate of Liberty High School in 1941, he was inducted into the Army January 21, 1943, and received training in radio work at Fort Monmouth. In July, 1943, he was sent to the Air Service Command at Fresno, California, where he received additional training and was then assigned to Kelly Field, San Antonio, Texas. Corporal Artis is a music-lover and while a student composed a symphony which was played by the Liberty High School orchestra in one of its regular concerts.
