AIR CREW CADET

CAMP MACKALL, N. C.—Pfc. Walter C. Kessler Jr., son of Mr. and Mrs. W. C. Kessler, Hellertown, was this week transferred from an airborne unit at Camp Mackall to Keesler Field, Miss., to begin training as an air crew cadet. He was one of the last group of men from Camp Mackall to be accepted for air training, before the order halting transfers from ground or service forces to the air forces became effective.
