

Kelchner, Burton L.

**Pfc. Burton Kelchner
At Virginia Poly**

Pfc. Burton L. Kelchner, 1224 Center Street, Bethlehem, has been assigned as a cadet in the Army Specialized Training Program at Virginia Polytechnic Institute, where he will concentrate in Chemical Engineering. **SEP 13 1943**

In order to qualify for the Army Specialized Training Program, Pfc. Kelchner had to have an unusually high Army General Classification Test Score, as well as a good technical background in the field for which he has been accepted.

He attended Liberty High School and Moravian College for Men.
