

Wasser, Edward h.

Vet Teachers Combat Method, Enjoys Florida

Edward L. Wasser, PhM 1/C, 805 North New St., spent the latter half of February in St. Petersburg, Fla., aboard LST 512, demonstrating methods of Pacific warfare as it was carried on by the Navy and Marine Corps on LST ships.

While in St. Petersburg, he was guest of the city at the municipal band concerts in Williams Park, watched the New York Yankees and St. Louis Cardinals at practice and saw the 75-year old "Kids and Kubs" softball exhibition games.

Approximately 50,000 people boarded Wasser's ship while it was in port, and watched demonstrations by the crew, all of whom are veterans of many major Pacific engagements.
