

Stump, William L.

### **Lt. William L. Stump At Kansas Air Field**

GARDEN CITY ARMY AIR FIELD, Kan.—Second Lieutenant William L. Stump, son of Mr. and Mrs. William E. Stump, 608 Fourth Avenue, Bethlehem, has arrived at this basic flying school for his second phase of Army pilot training. He attended Lehigh University, graduating with a degree in chemical engineering with the class of '43.

Lt. Stump was commissioned in the Army Air Corps, April, 1943, after completing Officers Candidate School at Miami Beach, Fla. Prior to his appointment to flight training, he was Assistant Operations Officer at Rapid City Army Air Field, South Dakota.

Upon completion of an intensive aerial and academic course at this field, he will enter single or twin-engine advanced school in the Army Air Forces Training Command to graduate with the silver wings of a flying officer. DEC 31 1943
