

Wasser, Robert A.

Promoted

III 21 1944

LT. R. A. WASSER

**Robert A. Wasser
Promoted to Full
Navy Lieutenant**

Robert A. Wasser, son of Mrs. R. L. Wasser, and the late R. L. Wasser, of 1727 West Broad Street, has been promoted to a full lieutenant in the United States Navy, effective July 1.

Wasser, who graduated from Liberty High School in 1938, and Penn State College in 1942, received his commission shortly before his graduation from college. He trained at Newport, R. I., the Philadelphia Navy Yard, and then studied Diesel Engineering at Penn State, after which he was promoted to a lieutenant (j.g.) in May of 1943.

Last July he left for sub-chaser duty in the South Atlantic, and has been on active duty since that time. He was home in May for 18 days, but is now back in the South Atlantic.

The young lieutenant has one sister, Elsie, at home.
