GET "THE DOPE" ON U. S. MARINES—Freshmen and seniors alike sought the counsel of the five representatives of the U. S. armed services yesterday afternoon at Lehigh University. Shown above shooting questions at Major John B. Stetson, Jr., of the United States Marines is frosh Franklin Lauten, Ridgewood, N. J., and Franklin Fehnel, senior, of 224 Belvidere Street, Nazareth. Fehnel, already enlisted in the Marine Corps Reserves as a private first class, is anxious to know how soon he will be called into active duty. He is enrolled in the College of Business Administration. More local boys interviewed these procurement officers at Moravian College this afternoon.
