**Local Lad Wins Promotion, Gets
Goodies From Home.**

Martin Moser, son of Mr. and Mrs. Edwin C. Moser, 1415 High Street, city, has two good reasons to like the Army: He's just been promoted to the rank of corporal and he gets boxes of goodies regularly from home.

Corporal Moser, a member of a school squadron, U. S. Army Air Corps, is at present stationed at Minter Field, Bakersfield, Cal. He was inducted into the Army on Au-

gust 26, 1941, under the Selective Service Act and sent to Biloxi, Miss.

He is a graduate of Bethlehem High School, took post-graduate work there and was attending Muhlenberg College, Allentown, when called up for service. His letter to his parents, which they received this morning, was the first word from him they had had in three months.
