

Wagner, Robert

**Cpl. Robert Wagner
Wins Commendation
For Production Aid**

MAR 23 1945

Corporal Robert A. Wagner, son of Mr. and Mrs. Charles Wagner, 512 South Benner Avenue, has won high commendation for helping to shatter world's production records repairing self sealing fuel cells at an Air Service Command Depot in England.

"A knockout blow against Germany" was the way his commanding general described the contribution of Cpl. Wagner, whose extra effort helps make it possible to maintain a constant air cover over Allied armies rolling through Germany.

Before entering the Air Force in December, 1942, Cpl. Wagner attended Fountain Hill High School.
