

A “Democratic” town?

The Bethlehem Gadfly Uncategorized November 3, 2018

Thinking about Tuesday election.

Gadfly realizes he doesn't know enough about the “political” history of Bethlehem.

D-Boscola 25 years in office.

D-Samuelson 20 years in office.

D-mayors for 20 years (and Ken Smith looks like a bit of an anomaly).

Are there any R's on Council?

Etc.

Is it safe to say that Bethlehem is a “Democratic” town?

And, if so, more significantly, why is that?

Gadfly would benefit greatly from some info on the political history of Bethlehem.

Timely, as we think about heading to the polls on Tuesday.
