

Bender, Warren J.

STILL MOVING UP

Six promotions within a year is the excellent record achieved by Warren J. Bender, son of Mr. and

Mrs. Warren P. Bender, of East Garrison Street, word of whose advancement to the rank of sergeant major has just been received here. He is now in charge of a battalion and is in charge of reconnaissance and mapping.

Sgt. Bender has thus far taken every available course of instruction and is looking forward to still others for which he may become eligible. He is stationed at Camp Gordon Johnson, Fla., with an Engineers Corps.
