City Council — the “face” of Bethlehem City government — meets tomorrow night, Tuesday, February 16 at 7PM.

7PM: The regularly scheduled Council meeting

Of interest:

- Public hearing about zoning of the long-contested property at Center and Dewberry. Another try to do something with the property — a grocery store. This case has been of interest to many, especially those in the neighborhood. Long history.
- The much-vetted ordinance for regulation of student housing with especial attention to the Southside area around Lehigh University is up for the first vote. Much anticipation here.

But there’s always the unexpected.

As long as he has flutter in his wings, Gadfly urges attending City Council.

Be informed. Be involved.
