**Lieut. John Dennis  
Receives 80 "Globes";  
Promoted In Germany**

APR 25 1945

Mrs. Sarah Dennis, 523 First Avenue, has received a letter from her son, John Wayne Dennis, telling of his promotion from Second Lieutenant to First Lieutenant while serving in Germany.

In the letter Lieut. Dennis also states he received his first mail in quite some time, containing 80 copies of the Bethlehem Globe-Times, and describes how the battlefields of Germany are now being plowed for gardens.

The young officer entered the service in March, 1943, and went overseas in December of that year.
