

DONOSO, LOUIS

Stripes Waiting

This cheerful looking soldier is Louis Donoso, sergeant in the U. S. Army Airforces, who expects to find his technical sergeant's rating upon his return to Pocatello, Idaho, where he is a first engineer and gunner on a B-24 Liberator bomber. Sgt. Donoso is spending a short furlough, his first, since his enlistment September 24, 1942, with his family, Mr. and Mrs. Norman Schleppey, 625 Aaron Street, Bethlehem. Before he was drafted he worked in the D. E. machine shop of the Bethlehem Steel Co. He took his airplane mechanic's training in Mississippi and Texas.
