I submit the following data to set the record straight as to who was the more popular Council president nominee with the general public.

There were claims that the large showing of support for Ms Negron for council president at the recent council meeting did not represent the true will of the public-at-large.

The claim by some was that Mr. Waldron was the more popular.

Nov. 7, 2017, official election results do not confirm that claim.

Negron –	4,277	votes
Evans –	4,125	”
Callahan –	3,990	”
Waldron –	3,705	”

Ms Negron was clearly the most popular choice. It appears that Mr. Waldron was the least popular of those seeking election.

Please share this with all on your blog, please.
