

Diehl, Winifred

**LOCAL NURSE SEEN
IN SCREEN NEWSREEL**

Friends of Second Lieutenant Winifred Diehl, of Fountain Hill, who is in active service with the Red Cross in the Pacific war area, received a genuine surprise this week while watching a news short on the screen of the Globe Theater when they saw her among a group of nurses coming down the gangplank of a vessel at Port Moresby, in New Guinea.

Lieut. Diehl has been identified by a number of persons who called the Globe-Times to tell of the fact. She is a graduate of St. Luke's Hospital Training School for Nurses and entered the service some months ago.
