A Voice from the High Seas

RICHARD KRESGE, Able Seaman
Son of Mr. and Mrs. W. Ralph
Kresge, 403 E. Broad Street.

Dear Major Little:

I have been thinking of the many good times I had while attending the Youth Activities at the Salvation Army Citadel — a program of activities which I know is made possible through the Community Chest. If the hundreds of young people who come to the Citadel get half the pleasure and benefit I did from the meetings, I am sure they will have many, many happy memories.

I am in Convoy Service and cannot tell where and when I am going, but be assured I shall give a good account of myself.

I also want to say a word of appreciation for my sister, Ruth, who came through the many activities of the Local Corps. She is an officer in the Salvation Army today, and we are all very proud of her . . . I hope the people of Bethlehem put the annual drive over again this year.

Yours very truly,

(Signed) Richard Kresge, Able Seaman
U. S. S. Vincennes.
