

# Trap Neuter Release programs for feral cats

The Bethlehem Gadfly Uncategorized January 20, 2020

Gadfly has several times recommended Bethlehem native Alison Steele's [Radical Moderate](#) blog — always interesting, always substantial.

This week's subject of feral cats especially caught his attention because every few months we have a moving speaker at Council meetings wondering about City programs for stray animals.

And there are certainly such felines in Gadfly's neighborhood. How about yours?

Gadfly had never heard of Trap Neuter Release programs.

This info could be useful.
