**Lieut. Marie Zilker  
Graduates From  
Quartermaster School**

Lt. Marie A. Zilker, daughter of Mr. and Mrs. Daniel Zilker, 1043 Essex Court, was among the more than 100 graduates of the Nurses Basic Training Center at the Quartermaster School in Camp Lee, Va.

Lt. Zilker and her fellow graduates who have undergone four weeks of intensive training in basic military subjects and Army Medical Corps techniques and procedures, will be assigned to hospitals in the Third Service Command before going overseas.

In an address to the graduating nurses, Col. Lathrop B. Clapham, commandant of the Adjutant General's School and a veteran of 37 years service in the Army, said: "I know that you laugh and shed a few tears, neither of which are prescribed in any Army manual. But I also know that your spirit and effort are like nothing I have ever seen before." JUL 3 1945
