

Climate change: science, yes; politics, no (11)

The Bethlehem Gadfly Climate Action Plan, Environmental Advisory Council, Gadfly's posts December 31, 2018

(11th in a series on Bethlehem's Climate Action Plan)

Are we feeling some momentum building?

“Meet the Press” devoted its full Sunday show yesterday to climate change.

If you missed it, watch [“The Climate Crisis” here](#).

One of the tag lines:

“The science is settled, the politics is not.”

If journalist keep the heat on . . .

If the new Congress . . .

If the new presidential candidates . . .

But, in the meantime, as CM Reynolds and others have said, let's do what we can in our own backyards.

It's Monday, December 31, do you know where your local Climate Action Plan is?
