- *There was a shooting on our block . . . over drugs.*
- *There are homes on our block that are known to be selling drugs.*
- *I’ve called the police time and time again. Nothing is being done.*
- *There’s a meth lab on the corner.*
- *We need to do something . . . to take control of our homes and our neighborhoods.*
- *It’s not safe for our children to go out and walk.*
- *This is crazy, and nobody’s doing anything about it.*
- *I worry about our next generation.*
- *Do you want everybody to move out of Bethlehem because it’s not safe any more?*
- *Nothing was ever in the newspaper about the shooting.*
- *I understand that the police force needs more officers.*
- *We need to do something.*
- *We do our due diligence. We need protection, and it’s not there any more.*
- *I’m afraid.*
- *No one’s doing anything about it.*
- *I get they’re understaffed.*
