### Brother and Sister Reunited

WAC Lena Kalmar, thanks to three days "delay on route" has been reunited with her brother T/5 Lewis Kalmar, veteran Combat Engineer, after three years and eight months separation.

T/5 Lewis had served three years and five months active duty overseas with the First Army before receiving a well-deserved rest and recuperation leave. He spent 27 months in Iceland and six months

in England before seeing action throughout France, Belgium and Holland. Upon completion of his furlough he will return to Fort Dix, N. J. for reassignment.

His sister Lena has been serving in the Air Corps for 15 months and is on her way for reassignment from the Courtland Army Air Field, Ala.

The proud mother is Mrs. Grace Kalmar, 720 East Fourth Street.
