

Frey, Karl W.

In Minnesota School

Air Student Karl W. Frey, son of Mr. and Mrs. Clifford F. Frey, 714 Main Street, this city, has arrived at the State Teachers College, Moorhead, Minn., for the first phase of aircrew training with the Army Air Forces. He will take a course in specialized academic training, elementary flying and military indoctrination for a period lasting up to five months. Upon successful completion of that rigorous course, he will be classified for further specialized flying training leading up to appointment as a flying officer for work as a pilot, navigator or bombardier.
