Clipper Service In Style

A 7TH AAF BASE IN THE MARIANAS—Nothing is too good for these soldiers from western Pennsylvania when it comes to that Saturday hair-cutting ritual. Members of an Aviation Engineer Battalion, these men have the only enlisted men's barbershop in the Marianas Islands equipped with a washbasin and running water, a product of their own ingenuity. Left to right, are: T/4 A. L. DeFazio, Dubois; Pfc. J. R. Colman, Bethlehem; Pvt. R. R. DiSanti, (holding Yank magazine), Pittsburgh; Pvt. J. R. Shaneyfelt, Jeanette; T/5 C. M. Zimmer, Erie; T/5 V. C. Davis, Verona; T/4 H. O. Byers, Washington, and T/5 John Allen, company barber, Canonsburg. (AAF Pacific Photo)
