

Toth, John

John Toth, 21, of Freemansburg, whose advancement in naval rating to machinist mate was briefly mentioned in this column on Thursday, will be remembered by Bethlehem sports fans as one of Liberty High School's outstanding soccer players. Toth played three years with the Hurricane booters.

JOHN TOTH, MM.

Besides attending Liberty, the young sailor was a pupil at Technical High School, where he learned his trade. He played softball with No. 2 Machine Shop of the Bethlehem Steel Company during his employment there prior to enlisting last September in the navy, and was a member, also, of the Wagnersville baseball team.
