Friends of William Chayka, aviation cadet at Santa Ana, Cal., will be interested to know that the young soldier is using to good advantage his basketball experience garnered on local basketball courts and according to the base publication is one of the star players representing Squadron 97 B. N. School.

He is the son of Mr. and Mrs. George Chayka, 1125 East Third Street and has been in the service since last March. He played varsity basketball at Bethlehem High and later was a member of the Bethlehem Boys' Club team.
