

Cashner, Charles H.

Promoted

OCT 9 1943

Charles Henry Cashner, who has recently been promoted to private first class, Thursday evening returned to Camp Chaffee, Fort Smith, Ark., after spending a 10-day furlough with his mother, Mrs. Anna Cashner, 1002 Cherokee Street, Fountain Hill, and his uncle and aunt, Mr. and Mrs. Nathaniel P. Reichard, 514 Wyandotte Street. Yesterday he celebrated his 19th birthday anniversary. He is with the U. S. Medical Corps at Camp Chaffee. He was inducted into the service last May 4, before he could graduate from Liberty High School. His mother attended the graduation exercises in June to receive the diploma for him. When his mother removed to Fountain Hill, Charles remained with Mr. and Mrs. Reichard in order to complete his course at Liberty High. Since his induction into the service he has gained 26 pounds. He was first sent to New Cumberland and from there to Camp Chaffee, where he has been receiving his basic training.
