## Prof. E. L. Crum Reports to Army For Special Duty

Prof. E. L. Crum, member of the faculty of Lehigh University and of the Selective Board No. 3, reported July 20 at Camp Custer, Mich. to take up active duty as a captain in the U. S. Army. Prof. Crum is in the special services division.

The new Army officer has been identified with Local Board No. 3 since last December, when he was named to fill the seat of the late Franklin Cole, then chairman. Present chairman is Stanley K. Weaver and Fred Stahl is secretary. A successor to Prof. Crum has not been mentioned.

While on the board, Prof. Crum was especially interested in the reclassification of men deferred by reason of dependents. He gave much of his time and thought to the job.

Mrs. Crum will continue to reside at the family home, 717 Seventh Avenue.
